Ophthalmology NZ (ONZ) is dedicated to advocating for New Zealand ophthalmologists and their patients. ONZ deals with political, policy and industrial issues affecting medical eye care. ONZ is our voice with a dedicated executive who provide their energy and time for the benefit of all.

As with any membership organisation, we rely on our members for support – both to ensure our credibility and to enable us to be adequately funded to assist you. Our annual fee is \$400 (incl gst).

Please support ONZ, to help us become a stronger and more effective voice with greater representation and financial viability.
